

# 529W Fish'r

Adventure with Confidence

This bigger is better boat encompasses the no-frills practicality of the Fish'r range and includes an under floor fuel tank. We've teamed a durable marine-grade aluminium alloy hull with a fibreglass bonnet with walkthrough windshield for ease of bow access. The positive buoyancy™ tubes give life-ring security while the distinctive hull shape and stepped chines make for a better performing, roomier and safer Stabicraft.
