

589 Fish'r

Adventure with Confidence

The largest in our practical no-frills Fish'r range, this boat has been designed to take the fisherman (and his friends) further afield. A watertight access hatch and non-feedback steering are welcome standard features to this model and the hull is made of low-maintenance, marine-grade aluminium alloy. The positive buoyancy™ tubes give life-ring security while the distinctive hull shape and stepped chines make for superior handling.

Specifications

Length	5.98m
Max Adults	7
Recommended HP	115hp
Maximum HP	150hp
Leg Length	25in
Fuel Tank	150l
