

589 SC

Adventure with Confidence

Our smallest Super Cab is just as easy to manoeuvre on and offshore, while still offering the comfort and security from the weather of its larger cousins. Coming with a full wrap around glass windshield, non feedback steering, a raised transom and Stabicraft's marine grade aluminium alloy hull, this handsome boat is one up on our side against weather vagaries. The positive buoyancy™ tubes offer life-ring security while the distinctive hull contour and stepped chines make for an unrivalled ride and superb handling.

Specifications

Length	5.98m
Max Adults	7
Recommended HP	115hp
Maximum HP	150hp
Fuel Tank	150l
External Beam	2.31m
Internal Beam	1.62m
